

Join the 2011 AAA Division Tournament Series

The Apprentice Assistant Association (AAA) provides competitive, education, and fellowship opportunities designed to enhance and assist your experience as an SCPGA apprentice / assistant golf professional. These opportunities allow our apprentices / assistants to meet and network with fellow golf professionals as well as increase your expertise through quality education. Five AAA Sweep events are scheduled for 2011.

Annually in November, tournament competition is capped off by the prestigious North & South Cup Matches with our counterparts from the Northern California Section. The AAA also rewards hard work and excellence with the annual scholarship program for deserving apprentices to assist with PGA PGM expenses. Enjoy these great activities for a nominal annual participation fee of **\$25.00**.

*** YOU MUST BE A MEMBER PRIOR TO REGISTERING FOR AAA TOURNAMENTS***
